News

Thank You

by Neil Campbell, Mission Director

Schools are out and we've reached the summer! And while it may not involve the usual travels abroad or getting away to the same extent, I hope that you will find time to rest and take a break. We are all in need of being refreshed.

During July the Mission Bulletin will take a pause, returning in August and continuing to share stories, news, events, training, funding and more! I'm extremely grateful for the kind words and encouragement received in feedback to the bulletin. I hope and trust it is a useful resource to you and other local leaders in mission. I would welcome ideas for how the Bulletin can be improved and developed further.

And can I encourage you, please, to send in local stories of mission in action. This is an opportunity to share across our Presbytery the good news of mission activities and experiences happening in your parish or through your church project. I know there are Summer Holiday Clubs and Missions running across Fife and it would be great to share some of these (with relevant permissions).

Thank you, for your support during my first few months as Mission Director for Fife Presbytery. I am very grateful for your warm welcome and enthusiasm, and am excited about the work we can do together in furthering the mission of the Kingdom of God across the Kingdom of Fife.

Kindest Regards,
Peace & Blessings,

Neil

Christian Aid: Urgent Appeal

Over 30 million people in 20 countries are teetering on the brink of famine. Now is the time to act and save lives.

This is a global hunger emergency. The Covid-19 pandemic, violent conflict and the climate crisis have all increased global hunger. Now, people in countries including South Sudan, Afghanistan and Burkina Faso are facing the very real threat of starvation.

We need your help to raise emergency funds to support those worst affected. Please give in love for your global neighbour in extreme hunger.

Events

Every Child Flourishing by Dr Krish Kandiah: Mental Health, Trauma and attachment

3.30pm - 5.30pm, 7th July 2021

To Register see: <https://www.eventbrite.co.uk/e/every-child-flourishing-tickets>

The global pandemic has meant every child in school has experienced some form of disruption and trauma. Transitioning back to school has not been straightforward.

One in six children aged five to sixteen was identified as having a probable mental disorder – five children in a class of thirty students. This was an increase from one in nine children in 2017 according to NHS digital.

If our children are going to flourish we must recognise the place that mental health, trauma and attachment play in their development. Schools have a vital role to play in the lives of children so we must ensure that the whole school is trauma informed, attachment aware and mental health dilligent. This will help every child to thrive but will especially help vulnerable children.

This special event brings together experts in Children's Mental Health, school leadership, and child welfare leaders for an inspiring and informative seminar.

We will also be introducing the Church of England's Foundation for Educational Leadership's year long network group which will help schools go on a transformative journey of change to become a trauma and attachment aware school.

This event is for all school leaders, teachers and anyone interested in helping schools to become places where every child can thrive.

Talking Mission: ACORN Groups with Paul Haringman

Hosted by Neil Campbell & Mission & Discipleship Task Group

7.30pm, 25th August 2021

More details to follow soon

'ACORN is a movement that seeks to connect Christians with the work God is doing in others through caring conversation.'

Being an inviting church is as important as being a welcoming, or hospitable one, and is equally applicable in a New Worshipping Community as in any of our existing congregations. While in lockdown, it may have seemed impossible to put invitation into practice.

Working with Michael Harvey, the Church of Scotland has been working with congregations to respond to God's call to connect with others, even in this time of restriction. Michael delivered a webinar on God's Call in a Time of Covid-19 in September 2020, and this is available on YouTube. (<https://bit.ly/38xwX0J>)

Since then numerous ACORN groups have been established, including in Fife Presbytery, where members support one another to ask God to prompt them to connect with someone, to follow through on that and to share with one another the outcome.

ACORN stands for the following:

- ASK God to nudge us;
- CALL think of people and put names or initials on post-it notes;
- OBEY by sharing with neighbours and/or sticking names on a cross/heart;
- REPORT back on what happened, share inviter stories; and
- NUMINOUS activity of God – Did you hear the call of God, or feel the presence of God?

More details about the next Talking Mission event to follow soon...

SU Scotland

SU Scotland: Bible Alive

A non-residential course at Lendrick Muir on Wednesday 1st, Thursday 2nd and Thursday 9th September and it will run from approximately 9.00am-5.30pm each day.

This exciting programme teaches children in P5–P7 the whole story line of the Bible in a series of interactive multi-media lessons.

It has been designed to contribute to the experiences and outcomes in the RME section of Curriculum for Excellence. Over 80 Scottish schools have welcomed Bible Alive and it has also been used in schools in other parts of the UK.

Bible Alive uses story-telling, music, drama, puppets, quizzes, activities, props and costumes to bring the Bible to life. It is held together by Rhyme & Sign, a set of ten rhyming couplets which recap the story of the Bible, accompanied by British Sign Language signs. The programme is flexible and the whole Bible is usually taught in schools in one hour lessons over 5–8 weeks.

This is a non-residential course, running from 9:00am–5:30pm each day, and you must attend all three days to complete the course. You will be asked to do some preparation at home between days two and three of the course. Cost: £85 (includes training manual, Rhyme & Sign videos, refreshments and lunch on all 3 days)

Spaces are very limited and priority is given to people planning to deliver the course in schools.

Huddle

A place to find support, be equipped & grow in your leadership calling.

At Cairn we believe in the importance of investing in what matters and that is you.

We all know that leadership is not easy... we need support along the way and that is what huddle is about.

Often as leaders we function in spheres where we are leading, where we are looking to get the best out of others, and aiming to release potential in our leaders, teams and organization but often forgetting to invest in ourselves. Huddle gives the opportunity for you to have that investment and gives you the opportunity to find support, be equipped and grow in your leadership and calling with a group of peers on a similar journey as yourself.

You can choose from three streams of Huddles;

- The Pioneer Ministry Huddle, for those in a frontline, missional context either planting a church, new mission initiative or similar pioneering environment
- the Established Church Huddle, for those in a more established form of church but looking to adapt and grow missional expressions
- The Spiritual Formation Huddle, for those seeking to find a better balance in ministry life that brings fruit, rest and spiritual growth.

The Community & Third Sector Recovery Programme

The Scottish Council for Voluntary Organisations (SCVO)'s Community & Third Sector Recovery programme aims to support charities (including churches, community groups, social enterprises and voluntary organisations) that are supporting people and communities through the shift from lockdown to recovery. As well as providing ongoing crisis support, they will be planning and implementing changes to adapt and thrive in a very different social and economic climate.

The programme is currently open and has two strands: Adapt & Thrive and Community Recovery Fund.

In the simplest terms, Adapt & Thrive is capacity building to help organisations adapt, change, and thrive post-COVID-19. The Communities Recovery Fund is grant funding to deliver support and services in communities.

Money for Adapt & Thrive has to be allocated by the end of March but can be used for up to 12 months thereafter. No match funding required and grants range from between £5K and £75K.

For information please see [SCVO Website](#)

AllChurches Trust

AllChurches Trust like to fund projects that demonstrate an impact on people and communities. Applicants should include clear (and where possible, measurable) outcomes for projects and demonstrate how they will ensure sustainability beyond our funding. It's also important to show how additional funding support will be sought to enable the project to be completed.

Our open grants normally fund capital projects and equipment, not salaries or running costs, with the exception of our transformational and Hope Beyond programmes. In most cases, we give a small percentage of the project cost as this enables us to say yes to more worthwhile causes, although we do occasionally give larger grants.
