Walk through the Bible - In Schools

We have managed to see nearly 300 pupils over November & December. Which means that in 2022 over 600 children have experienced Walk through the Bible in local schools!!! A big WELL DONE to Wendy, Sandra, Lauren and Chris.

"Engaging for pupils, lots of involvement with drama. Great PowerPoint with breaks from stories too to recap on previous stories." – Capshard P.S.

Pray that 'Walk through the Bible' is desired in more Schools throughout Fife. Ask for wisdom as the team look to promote and grow.
