

ECO Fayre

August 10th 10am – 1pm

Bennochy Church Elgin St Kirkcaldy

Charity number SC 005628

All proceeds from this event will go to Bennochy Church, to a ringfenced fund used only for eco purposes indicating that Bennochy is committed to working towards Net Zero and protecting God's World.

Why not walk/bike to the event instead of driving and let us know? We'll tell you how much carbon footprint you have saved.

What you'll see at the fayre

Upcycling stall – the Green & Quirky Upcycling group has given new life to some tired, old, unused items.

Make do and mend – Mary will show you how to darn that hole in your sock, demonstrate how to patch a garment, and help you to sew a button on.

The Men's Shed will have a display of their wooden products and make repairs to items on the day.

Compost-making – Ron is going to talk you through the do's and don'ts of making good quality compost.

And right beside him, **the Wormery!** Watch the little critters munching their way through some leftovers and produce perfectly usable soil for your garden.

The Grown and Growing stall – we'll have plants, seedlings, vegetables and herbs for sale, for a modest donation or FREE. **And tattie bags** – fingers crossed the tatties will be ready to harvest and the kids can take them home for tea.

How do you do yours? – have a look at the various ways we do our washing. Everyone has to do it, so which method is kindest to our planet?

Eco washing up liquid - it's hard to move away from the product you've always used even though you know it's not kind to the planet. So we'll have some ethical, plant-based, vegan, British made w/u liquid for you to purchase in small amounts (in used containers) and you can test and find out if you can make that change to go eco!

Treasures - a stall showing items that we've treasured for a very long time and still use/ wear. Guess which is the oldest?

Book Swap – bring along a book and swap it for another or just choose one for a modest donation.

Greener Kirkcaldy –

Cosy Kingdom – expert energy advisors will be able to give some guidance about how to save energy, money and how to keep yourself safe and warm in the winter. and

Dr BIKE – Dr Bike will be there so get the kids to come along on their bikes and get a free safety check from Dr Bike.

FREE ice cream – for those that can prove they're a kid!!
Supplied by multi award winning Perfect Scoop, E Wemyss.

Fairtrade teas/coffees and **Fairtrade muffins**. £3 per ticket available from 23rd June at Bennochty Church, the Olive Branch Community Café on Thursdays, or text 07980367632 and one of the organisers will make sure you get a ticket.

Preloved stall and T for free. Inexpensive preloved items, some pieces of clothing 50p and you can have a free t-shirt!

Raffle – all raffle prizes are eco/ethical

Kids activities- demonstrating the trash we dump in our seas.
and a wee game of Earth Day bingo.
